FRECKLES and his FRIENDS
by MERRILL BLOSSER
I WISH JUST ONCE THAT BAZOO WOULD BE A "DREAM" DATE....
"I WISH HE WOULD BRING ME FLOWERS AND CANDY"
"AND IF ONLY HE WOULD GET ALONG WITH MOM AND DAD!"
"IT'D BE NICE, TOO, IF BAZOO WOULD ACT MORE RESERVED AND NOT BE SO "JIVE CRAZY" ALL THE TIME!"
MAYBE THROUGH CONCENTRATION I CAN TRANSFER MY POWERFULLY POSITIVE WISHES TO BAZOO'S BRAIN...
I'LL TRY.... I'LL TRY!
THERE'S THE DOORBELL!
BAZOO SUDDENLY GOT A HEADACHE SO HE SENT ME!

The Talking Jug comes home...
--and as these brave ones were bringing the Talking Jug to Golpi, they saw me on the raft and rescued me!
It was indeed most fortunate that the red-haired one came upon the Jug in the cave!
Cave? Ahab made no mention of a cave! How would you know of this, unless--
Then it was you, Nork! You who always hated the Jug's prophecies!
Guard! Throw this thief in your deepest dungeon!
How grateful can a king become? You find our Jug--and also the one who stole it--we can only say "thanks"!
Then a day came when the Jug predicted good sailing weather and Old One and his crew left the Isle of Golpi aboard their own "River Lady"--Ahab's gift to his rescuers...
There's good old Cricketly Creek!
And there's home!
